Commissioner Slater raised the question about having self-service lottery machines at certain locations.

Executive Director Hedinger stated that we do not have self-service lottery machines in New Jersey.

Commissioner D'Anton asked about Pennsylvania having self-service lottery machines.

Executive Director Hedinger stated that Pennsylvania does have self-service machines but it is not a model that we are going to adapt because those machines do not sell as much as the full service terminals. She stated that every state that we looked at who has self-service terminals do not generate the numbers that the full service lottery retailers do.

Executive Director Hedinger addressed a question that Commissioner Slater had at the last Commission Meeting regarding the ratio of advertising and sales. She stated that she looked at the promotions this fiscal year and October was a month where we were having major promotion. Marketing Manager Foster Krupa stated that this has been done several times before and we have a lot of experience with it and all of the details have been ironed out.
