GREEN BALL IS BACK!

NOVEMBER 2 - 29, 2026 • *EVENING DRAWINGS ONLY!*

HERE'S HOW IT WORKS:

Each night, after the regular Pick-3 drawing is held, a subsequent drawing will be conducted from a separate machine that contains six white balls and one Green Ball.

If a white ball is drawn, it will be removed, and at the next Pick-3 evening drawing, another draw will be held from the remaining white balls and one Green Ball. A white ball will be removed each drawing until the Green Ball is selected.

If/when the Green Ball is drawn, a second set of Pick-3 numbers will be drawn, and players will have a FREE second chance to win from their same wager.

Once the Green Ball is selected and after the second set of Pick-3 numbers are drawn, all six white balls and one Green Ball will be added back to the separate machine for the next Pick-3 evening drawing.

BENEFITS WHEN THE GREEN BALL IS DRAWN:

A SECOND SET OF NUMBERS DRAWN! • TWO CHANCES TO WIN FROM ONE WAGER!
