RULES FOR THE PICK-3 GREEN BALL PROMOTION
Effective November 2, 2026

1. OVERVIEW:

The New Jersey Lottery ("Lottery") is conducting a Pick-3 Green Ball Promotion ("Pick-3 Promotion" or "Green Ball Promotion") on November 2, 2026, through November 29, 2026. After the Lottery draws the evening Pick-3 winning numbers, a subsequent drawing will be conducted from a separate draw machine that contains six white balls and one green ball. If the green ball is drawn, a bonus (second) set of Pick-3 winning numbers will be drawn. If a white ball is drawn, it will be removed, and at the next scheduled evening drawing, another drawing will be held from the remaining white balls and green ball. A white ball will be removed each evening draw until the green ball is selected. Once the green ball is selected and after the second set of Pick-3 numbers are drawn, all seven (7) balls are replaced for the next scheduled evening Pick-3 drawing during the Promotional Period (as defined herein).

2. GAME PLAY:

a. In order to participate in the Green Ball Promotion, Players (sometimes referred to as "you" or "your" or "players") must purchase an "Eligible Ticket," defined as a Pick-3 ticket, with or without the Fireball option, purchased at a New Jersey Lottery licensed retail location or through a registered courier service for drawings taking place during the Promotional Period, or a Pick-3 multi-draw ticket with drawings scheduled to take place during the Promotional Period.

3. DRAWINGS:

a. During the Promotional Period, the Lottery draws the evening Pick-3 winning numbers as usual. Immediately following, a subsequent drawing will be conducted from a separate draw machine that contains six white balls and one green ball ("Green Ball Machine").

b. If a white ball is drawn, that one white ball will be removed from the Green Ball Machine. After the next day's evening Pick-3 drawing, a subsequent drawing will again be conducted using the remaining white balls (five, four, three, two, or one) and one green ball. A white ball will be removed each time it is drawn from the Green Ball Machine until the green ball is selected.

c. When the green ball is drawn from the Green Ball Machine, a second set of Pick-3 numbers will be drawn ("Green Ball Double Draw") and players will have a bonus (second) chance to win from their same Pick-3 wager. The prize structure for the second set of Pick-3 numbers is unchanged. If a Pick-3 wager was purchased with the Fireball option, the base wager is eligible for the green ball promotion however the Fireball will NOT be included in the winner determination. The Fireball

number will apply only to the original Pick-3 drawing and will not apply to the Green Ball Double Draw numbers.

d. The Pick-3 Green Ball Double Draw numbers will be drawn from the same Pick-3 draw machine as the first set of Pick-3 numbers, with three chambers containing numbers 0-9. To do so, the three balls selected from the regularly scheduled evening Pick-3 drawing are returned to the chambers and remixed, such that the full matrix of Pick-3 numbers are used for the Green Ball Double Draw.

e. Once the green ball is selected, and after the Pick-3 Green Ball Double Draw numbers are drawn, all six white balls and one green ball will be added back to the Green Ball Machine for the next evening Pick-3 drawing. The Green Ball is statistically certain to be drawn at least four times during the Promotional Period.
