Green Ball Promotion is Back

Bonus Prizes Available to Jersey Cash 5 Players – At No Cost!

TRENTON (Feb. 21, 2023) – Every nightly drawing, from March 6 through April 2, Jersey Cash 5 is giving *all* players a chance at bonus prizes for no additional cost. The popular Green Ball promotion is back, and every Jersey Cash 5 player with tickets during the promotion is eligible to win bonus prizes of up to \$50,000!

How does the Green Ball promotion work? Every night of the promotional period, one ball will be drawn from the *Green Ball* machine. The machine will start the promotion with six white balls and one Green Ball. If a white ball is drawn, the ball is simply removed from the machine and we will draw again the following night. If the Green Ball is drawn, the regular Jersey Cash 5 drawing machine is reset and drawn again, including a new XTRA ball. All players with tickets for that night's drawing will receive an additional chance at winning prizes up to \$50,000 by using the numbers on their ticket against the numbers drawn for this second "Green Ball" Jersey Cash 5 drawing! Once the Green Ball is drawn, all the balls are returned to the Green Ball machine and the process starts over the next night. Visit the Jersey Cash 5 page on our website to learn more.

"We are delighted to bring the excitement of Green Ball to Jersey Cash 5 players for a free second drawing to win large prizes up to \$50,000! Each night during the Green Ball promotion is thrilling because everyone loves the opportunity for another chance to win," said New Jersey Lottery Executive Director James Carey.

With a 28-day promotional window, the Green Ball will be drawn at least four times, and there could be many more! There is no additional cost for tickets to be eligible.

How easy is it to play Jersey Cash 5? Pick five numbers from 1-45 for a chance to win the Jersey Cash 5 jackpot. Matching all five numbers wins the jackpot, but matching even just three numbers wins a prize. For an additional \$1 per play, add XTRA to increase your non-jackpot prizes up to 5X and win \$2 for matching just two numbers.
