## JERSEY CASH 5 LEAPS TO RECORD \$2.094 MILLION JACKPOT

*Largest Ever Jackpot For Jersey Cash 5*

**TRENTON, NJ – (May 26, 2023)** – New Jersey Lottery Executive Director James A. Carey is urging New Jersey Lottery players to get their Jersey Cash 5 tickets as early as possible in advance of tonight’s drawing, which is worth an estimated \$2.094 million top prize. “The Jersey Cash 5 jackpot has been growing over the past few drawings and is now the largest jackpot for this game, ready to be won soon by a New Jersey Lottery player,” said Carey. “For a Lottery game that is drawn daily, this is certainly a large jackpot, so we’re sure that today will be a busy day for our retailers.”

Carey noted that “Jersey Cash 5 players have been extremely lucky, and the jackpot hasn’t had a chance to grow to this level since October 15, 2022, when the jackpot was \$1.93 million. There have been 54 jackpot wins since that date, including the \$1.4 million jackpot on April 20, of this year. This jackpot shatters the previous record for this game, which was set on January 23, 2021 at \$2.033 million.”
