PICK-6 SNEAKS UP TO OVER \$25 MILLION

TRENTON (Aug. 14, 2023) – The Pick-6 jackpot has reached an impressive \$25.8 million after rolling for the 49th time on Thursday, August 10. This is the highest Pick-6 jackpot since December of 2018 when a single ticket in Bayonne won \$29.5 million.

Pick-6 was last hit on February 21st in Manalapan by a single lucky player. In the meantime, players have already taken home millions in second and third tier prizes.

The \$25.8 million drawing will be held on Monday, August 14. New Jersey Lottery Executive Director James A. Carey urges players to get their tickets sooner rather than later for one of the organization’s oldest games. “Pick-6 is a core New Jersey Lottery game since 1980 and is one of the biggest jackpots available exclusively to our Garden State players. You only need one ticket to get in the game for a chance to win. Players should remember to play responsibly.”
