## Pick-3 “1-1-1”/“1-0-1” Payout Sets Single-Day Record *Boosted by Straight Back Bonus payouts, over \$1.2 million in prizes awarded to Pick-3 players yesterday*

**TRENTON (Oct. 12, 2023)** – 1s and 0s set the stage for New Jersey players to set the largest single-day Pick-3 payout record. Yesterday’s Pick-3 midday drawing result was 1-1-1, and the evening result was 1-0-1. Now that Pick-3 awards fixed prizes, lucky players betting these numbers were awarded over \$1.2 million in prizes!

There were 2,076 tickets that won \$250 each playing 1-1-1 straight midday and 1-0-1 straight evening based on a \$0.50 wager. Additionally, another 2,088 players won \$50 each with bets eligible for the [Straight Back Bonus promotion](#). The promotion is free for eligible Pick-3 evening wagers through October 29.

This significant payout is the result of the game change that took place on November 14, 2022, which made it possible for players to win such a large amount in a single day. In fact, this is the largest single day payout for Pick-3 in the history of the game.

View the prize payout charts for Pick-3 and Pick-4, including Fireball payouts, on our website: [Pick-3 and Pick-4 odds and prizes](#).
