Pick-6 Jackpot Leaps Over \$24 Million!

TRENTON (Feb. 28, 2024) – The Pick-6 jackpot is now \$24.2 million, the highest jackpot since August 2023, and New Jersey Lottery Executive Director James A. Carey is reminding New Jersey Lottery players that Pick-6 is a great opportunity to win a massive prize. “This core New Jersey Lottery game is consistently the biggest jackpot available exclusively to our Garden State players. You only need one ticket to get in the game for a chance to win.”

Pick-6 was last hit on September 11, 2023, with a \$2.7 million jackpot. Carey urges players to remember that playing the lottery is a form of entertainment and to keep in mind the importance of playing responsibly.

Did you know? Pick-6’s next drawing is Leap Day - Thursday, February 29. Since the Pick-6 drawing started being held twice-a-week in 1986, there have only been three drawings held on Leap Day? This week’s drawing will be the fourth!
