Burlington County Player Wins \$50,000 in Powerball

TRENTON (Dec. 24, 2024) – It was a Festivus miracle, although there will be no airing of grievances. A New Jersey Lottery ticket matched four white balls drawn and the Powerball to win \$50,000 in the Powerball drawing on Monday, Dec. 23, a date fans of the Seinfeld sitcom celebrate to honor the quirky fictional holiday.

The **winning numbers** were **22, 42, 44, 57, 64**. The **Powerball** was **18** and the **Power Play** was **2X**. The ticket was sold at Pac a Sack, 704 Main St. in the Burlington County township of Lumberton.

Nobody won the jackpot in the multi-state game, which is about \$117 million heading into the Wednesday drawing.

Double Play Results

The Double Play drawing is an additional drawing for players who opted in for the Double Play feature on their tickets, which can win as much as a \$10 million cash prize. No ticket matched the winning numbers of **16, 49, 62, 63, 68**. The **Double Play** ball was **10**.
