## ***Million Dollar Powerball Prize Captured in Bergen County***

*Sussex player grabs \$50,000 as jackpot nears half a billion dollars*

**TRENTON (August 7, 2025)** – A New Jersey Lottery player in Bergen County matched all five white balls drawn Wednesday night, missing only the Power Ball, to capture a \$1 million prize.

The million-dollar win was just one of two in the U.S. in the multi-state game. An Ohio player secured the other. No player won the jackpot, which is an estimated \$482 million heading into Saturday's drawing.

Meanwhile, a Sussex County player matched four white balls and the Power Ball to win \$50,000.

The winner numbers were **15, 27, 43, 45** and **53**. The Power Ball was **09** and the multiplier was **02**. Additionally, the Double Play drawing's numbers were **09, 19, 21, 33** and **46**. The Double Play is a separate drawing for players who opted in for the Double Play feature on their tickets. The top prize is \$10 million. Ten New Jersey players won \$500 prizes.

Wednesday's \$1 million dollar ticket was drawn at Quick Chek #143, 720 Washington Avenue, in the Bergen County borough of Carlstadt. The \$50,000 ticket was drawn at Quick Chek #68, 1 Hampton House Road, in the Sussex County town of Newton.

The \$1 million Powerball prize is New Jersey's third of 2025. The \$482 million jackpot is the second highest of the year. In 2025, four Powerball jackpots have been won:

- Jan. 18, \$328.5 million, Oregon;
- March 29, \$526.5 million, California;
- April 26, \$167.3 million, Kentucky;
- May 31, \$204.5 million, California.
