Powerball Jackpot Now Tops \$500 Million

Warren and Bergen County Players Each Win \$100,000

TRENTON (August 10, 2025) – The Powerball game's jackpot has reached \$501 million, and New Jersey Lottery players are seeing an influx of big secondary prizes.

The winning numbers were **07, 14, 23, 24 and 60**. The Power Ball was **14** and the multiplier was **02**.

No player in the multi-state game matched all five numbers and the Power Ball to win the jackpot Saturday, but two players from Warren and Bergen Counties matched four white balls, the Power Ball and the multiplier to each win \$100,000. The Warren County ticket was sold at Hackettstown Exxon, 150 Naughtright Road, Hackettstown. The Bergen County ticket was sold at Flavor Mart, 326 Garden Street, Carlstadt. Another New Jersey player, using the Jackpocket app, matched four white balls and the Power Ball to win \$50,000.

Additionally, the Double Play drawing's numbers were **05, 22, 26, 29 and 40**; the Double Play ball was **06**. The Double Play is a separate drawing for players who opted in for the Double Play feature on their tickets. The top prize is \$10 million. An Atlantic County player won a \$50,000 prize and 12 each won \$500. The \$50,000 ticket was sold at Wawa #749, 300 Route 50 in Mays Landing.

Saturday's big prizes cap a successful week for the New Jersey Lottery's Powerball players. On Wednesday, a Bergen County player won \$1 million at a Carlstadt Quick Chek and a Sussex County player won \$50,000 at a Newton Quick Chek. The \$1 million Powerball prize is the game's third in New Jersey this year. The \$501 million jackpot is the second highest of the year. The next drawing is Monday.

In 2025, four Powerball jackpots have been won:

- Jan. 18, \$328.5 million, Oregon;
- March 29, \$526.5 million, California;
- April 26, \$167.3 million, Kentucky;
- May 31, \$204.5 million, California.
