Another Million Dollar Powerball Prize is Won

Bergen County Player Continues Game's Hot Streak; Union Player Wins \$50,000

TRENTON (August 12, 2025) – A Bergen County Lottery player matched all five white balls to win \$1 million in Monday's Powerball drawing. No player in the multi-state game matched all five balls and the gold Power Ball to win the jackpot, which now stands at about \$526 million heading into Wednesday's drawing.

The winning numbers were **06, 16, 33, 40 and 62**. The Power Ball was **02** and the multiplier was **02**. The ticket was sold at Mini Mart, 335 Boulevard, Hasbrouck Heights. The \$1 million prize is the game's second in a week and fourth in New Jersey this year.

Additionally, the Double Play drawing's numbers were **09, 10, 17, 29 and 65**; the Double Play ball was **05**. The Double Play is a separate drawing for players who opted in for the Double Play feature on their tickets. The top prize is \$10 million. A Union County player matched four white balls and the Double Play ball to win \$50,000. That ticket was sold at BK One Stop Shop, 301 East 9th Avenue, Roselle.

Monday's big wins continue a hot streak for the game. Last week in two drawings, there was one \$1 million prize along with two \$100,000 prizes and three \$50,000 prizes.

The current jackpot nearly matches the highest of the year, which was \$526.5 million. In 2025, four Powerball jackpots have been won:

- Jan. 18, \$328.5 million, Oregon;
- March 29, \$526.5 million, California;
- April 26, \$167.3 million, Kentucky;
- May 31, \$204.5 million, California.
