2. Entries submitted after the Entry Period End will not be eligible for the applicable Quarterfinal Drawing and shall carryover to the next scheduled Quarterfinal Drawing Date. Entries submitted after the last Entry Period End date of Quarterfinal Drawing 4 are not eligible for a Quarterfinal Drawing in the same Promotional Period.
3. Entries for participation in a **MILLION DOLLAR REPLAY** Quarterfinal Drawing are to be submitted in one (1) individual name only.
4. Potential Winners will receive a notification in the "My Notifications" section of their VIP Club account. Alternates are also notified at the same time and in the same manner. The notification will contain a link to the Winner Claim Form. Participants are solely responsible for ensuring that their VIP Club account information is accurate and for checking their VIP Club account for the notification and link to the Winner Claim Form. Under no circumstances shall the Lottery and/or Northstar New Jersey Lottery Group, LLC, or any of its/their

designees or affiliates, be responsible for undeliverable VIP Club account notifications or for Participants failing to check their VIP Club account. In addition to notification in the "My Notifications" section of the Potential Winner's and Alternate's VIP Club account, the Lottery will also post a list of the selected one-hundred (100) Potential Winner Quarterfinal Entries on the Lottery's **MILLION DOLLAR REPLAY** webpage as an Unverified Winners list. The list of Alternates will not be posted to the Lottery's **MILLION DOLLAR REPLAY** webpage.

5. Potential Winners and Alternates must return the Winner Claim Form to the Lottery within twenty (20) calendar days of VIP Club notification of their Quarterfinalist/Alternate status. Fully completed and signed Winner Claim Forms shall be received by the Lottery through an eSignature transaction management service. The Director reserves the discretion to accept delivery of Winner Claim Forms by other means.
6. If the Potential Winner or Alternate does not return the completed and signed Winner Claim Form within the required timeframe, the Potential Winner is disqualified from receiving the Consolation Prize and the Alternate will be ineligible to be used as a replacement should any of the one-hundred (100) original Entries be deemed invalid or disqualified.
7. If a Potential Winner or Alternate is unable or unwilling to provide a social security number on their Winner Claim Form for security and validations purposes, alternative identification will be required. Failure to provide the requested identification will result in disqualification.
8. At the sole discretion of the Lottery, a Potential Winner or Alternate may be required to submit the Eligible Non-Winning Scratch-Offs Ticket(s) comprising that Entry as proof of eligibility. The Lottery recommends retaining Eligible Non-Winning Scratch-Offs Tickets(s) submitted for a Quarterfinal Drawing until the verified Quarterfinalists Winners list is posted to the Lottery website. If a Potential Winner or Alternate is required to mail the Eligible Non-Winning Scratch-Offs Ticket(s), the Potential Winner or Alternate will be notified to send his or her Eligible Non-Winning Scratch-Offs Ticket(s) to the New Jersey Lottery - MDR, PO Box 018, Trenton, NJ 08625-0018. In that case, the Lottery recommends (but does not require) that the Eligible Non-Winning Scratch-Offs Ticket(s) be sent using a service that can be tracked to ensure delivery. Participants shall sign the back of their Eligible Non-Winning Scratch-Offs Ticket(s) comprising that Entry.
9. Disqualification, forfeiture, and the selection of an Alternate Potential Winner may result from: (a) the Potential Winner's failure to respond to any notification by the Lottery within the specified response period; (b) the return of an email notification as undeliverable after three (3) attempts by the Lottery; (c) the Potential Winner's failure to provide satisfactory proof of age, identity and residency; (d) the Potential Winner's failure to return any document(s) required by the Lottery within the specified return period; or (e) any other non-compliance with any law, regulation, or rule, including these Official Game Rules.
10. The Lottery and Northstar New Jersey Lottery Group, LLC are not responsible for late, lost, damaged, misdirected, misaddressed, undelivered, incomplete or illegible Winner Claim Forms or the Eligible Non-Winning Scratch-Offs Ticket(s) comprising a potential winning Entry. The Claimant is responsible for completing the Winner Claim Form in its entirety. Failure to sign or e-sign the Winner Claim Form and agree to required acknowledgements may result in disqualification and selection of an Alternate Potential Winner.
11. In the event a Claimant's Official Prize Claim Form is received after the announced deadline date, and the Director has determined that the cause of the disqualification was due to an error on the part of Lottery, the Claimant may be entitled to Entry into a subsequent Quarterfinal Drawing, at the discretion of the Director.
12. A household may win only one (1) Consolation Prize during the Promotional Period. Under no circumstance may a Participant win more than one (1) Consolation Prize. Under no circumstance may a Participant have more than one (1) Entry into the Grand Prize Drawing.
13. The **MILLION DOLLAR REPLAY** program is for individual Participants only. Corporations, Lottery Retailers, including names listed on any official Agent Lottery License as associate owner(s) and associate non-owner(s), registered courier services, associations, and groups may not participate in the **MILLION DOLLAR REPLAY** program and are prohibited from winning any Prizes in any **MILLION DOLLAR REPLAY** Drawing. 18. All **MILLION DOLLAR REPLAY** Quarterfinal and Grand Prize Drawings are certified by the New Jersey Lottery and its independent auditor.

VII. MILLION DOLLAR REPLAY MANNER OF DRAWING:

1. The database containing the Entries shall be securely maintained until the date of each Quarterfinal Drawing.
2. Each Entry will be assigned an 'entry number'. From the pool of 'Entry numbers' not less than one-hundred and fifty (150) 'numbers' will be randomly selected. The first one-hundred (100) 'Entry numbers' selected will determine the Quarterfinalists, the remaining fifty (50) 'Entry numbers' selected will be used as Alternates, recorded A1 thru A50 in the order drawn and used as replacements should any of the one-hundred (100) original Entries be deemed invalid or disqualified. The process will be repeated until a valid and verified listing of one-hundred (100) Quarterfinalists has been certified. Once one-hundred (100) Entries have been verified and confirmed, complete Winner information will be entered into a digital file and posted to the Lottery website and held for inclusion in the final Grand Prize Drawing.
3. Where, in the Director's discretion, a Participant is entitled to participate in a Quarterfinal Drawing notwithstanding an earlier disqualification, that Participant shall constitute one of the first one-hundred (100) Entry numbers. In such a case, the one-hundred (100) Entry numbers shall be reduced by the number of reinstated Participants now entitled to participate in the Grand Prize Drawing, but no additional Alternates shall be selected.
4. The Grand Prize Entry file for the final Grand Prize Drawing will be created utilizing the one-hundred (100) Quarterfinalists selected, and verified, from each of the four (4) Quarterfinal Drawings for a total of four-hundred (400) Grand Prize Drawing finalists.
5. At the sole discretion of the Director, a Quarterfinalist may be removed from participating in the Grand Prize Drawing if information indicating ineligibility, as identified within these **MILLION DOLLAR REPLAY** rules, becomes available after verification and certification. The next qualifying Alternate from the appropriate Quarterfinal Drawing will take the place of the disqualified Quarterfinalist in the Grand Prize Drawing.
6. The Lottery will create printed labels containing the name and address of each of the Grand Prize Drawing finalists and will affix each label to an approximately 3-inch x 2-inch piece of paper. The paper, with the label affixed, will be placed into a green ball and the ball sealed with tape.
7. The Lottery's independent auditor shall witness the filling of such green balls. If the Drawing is not to be conducted immediately after the filling of the last ball, the filled balls shall be securely sealed to the auditor's satisfaction by the Lottery and auditor until such Drawing shall be conducted.
8. The Lottery's independent auditor shall witness the transport of the four-hundred (400) green balls containing the name and address of each Grand Prize Drawing finalist to the location of the Grand Prize Drawing and observe the balls being placed into a single Drawing sphere and thoroughly mixed.

9. From the Drawing sphere containing the four-hundred (400) green balls, the Lottery will randomly select fifteen (15) green balls, one (1) at a time by hand, and number them 1 through 15 beginning with the first green ball drawn. Each green ball, as it is drawn, will be placed into a container numbered 1-15, with the first ball drawn being placed in the container numbered one (1), the second ball drawn being placed in the container numbered two (2), and so on until all fifteen containers contain green balls drawn from the sphere.
10. A second Drawing bin will contain fifteen (15) ping-pong balls, numbered 01 – 15. After thorough mixing, the Lottery will randomly select each of the fifteen balls. The first ball selected will determine the First Prize and will be recorded as corresponding to the numbered container containing the green ball and designated as First Prize: $1,000,000. The second and third balls selected will determine the two (2) second Prize Winners and will be recorded as corresponding to the numbered green ball containers and each designated as Second Prize: $100,000. The fourth, fifth and sixth balls selected will determine the three (3) third Prize Winners and will be recorded as corresponding to the numbered green ball containers and designated as Third Prize: $50,000. The seventh, eighth, ninth and tenth balls selected will determine the four (4) fourth Prize Winners and will be recorded as corresponding to the numbered green ball containers and each designated as Fourth Prize: $25,000. The remaining five (5) balls will determine the five (5) fifth Prize Winners and will be recorded as corresponding to the numbered green ball containers and designated as Fifth Prize: $10,000 respectively.
11. The recording of such Prizes will be performed by the Lottery, witnessed by its independent auditor, and made visible to the witnesses to the Drawing via a Prize board. At the conclusion of all of the Prize levels being assigned a green ball number from 1-15, the Lottery will begin the process of unsealing the green balls.
12. Based upon the recording of the Prize amounts, the Lottery will begin to reveal the fifteen (15) Grand Prize Winners starting with the balls assigned to the $10,000 Prizes. Drawing personnel will remove the green ball designated for all $10,000 prizes, remove the tape sealing the green ball, remove the paper inside the ball containing the Winners' information on the label, share the label with the auditor, and read out loud the town of the Winner and their full name. This process shall continue in a similar manner such that the $25,000 Winners are revealed next, followed by the $50,000 Winners, then the $100,000 Winners, and finally the $1,000,000 Winner.
13. The Lottery and its independent auditor shall record the names of all Winners alongside the Prize amounts on the Prize board next to the corresponding ball number.
14. Following completion of the Grand Prize Drawing, all Winners will be recorded and processed for Prize payment after they complete the Winner Claim Form. The Winners list will be certified by the Lottery's independent auditing firm.
15. Grand Prize Drawing winners will be required to provide their social security number for prize payment, according to the processes of the Lottery, and Federal and State of New Jersey tax reporting purposes. All Prizes more than $5,000.00 will be subject to federal withholding tax at the prevailing federal tax rate. All Prizes more than $10,000.00 additionally will be subject to New Jersey gross income tax withholding at the prevailing tax rate. In addition, all Prizes may be subject to garnishment per N.J.S.A. 5:9-13.5, 13.14, and 13.17 in accordance with the procedures in N.J.A.C. 17:42-1.1 et seq. and N.J.A.C. 17:43-1.1 et seq.
